“The Metropolitan Community”

A book discussion celebrating the release of Professor Cynthia Taines’s new book.

Cynthia Taines, Ph.D.

Associate professor, College of Education,
Northern Illinois University.

Co-founder, Metropolitan Community
Project.

Thursday, March 26
Noon to 1 p.m.

In this powerful story of a Chicago-area city and suburban school partnership, Taines explores how students confronted deep funding inequities, built cross-community relationships and advocated together for a more just education system.

Eric Junco, Ph.D., director of Academic Cultivation and Engagement in NIU’s College of Education, will facilitate the discussion.

All are welcome. Light refreshments will be provided.
